## From the Community House School

It is hard to believe that we are in the second full month of winter and that the school year is more than half over. This month we will be celebrating President's Week. Our students will be studying about and creating projects in honor of George Washington and Abraham Lincoln. Alley Pond Environmental Center, sponsored by our Parents Association, will be coming to our school this month. Each class will get to interact and learn about the live animals Alley Pond transported here for that day's demonstrations. Valentine's Day is another February holiday the children enjoy celebrating. Students will be making Valentine art projects for their parents.

The CITG Community House School wishes everyone a happy Valentine's Day. Stay warm!
