From the Community House School

The students and staff of the CITG Community House School would like to wish everyone a happy spring. In celebration of spring the students are involved in seasonal projects. The children will study life cycles by observing caterpillars as they change into butterflies. The classes will then release the butterflies in the school garden during the month of May. The students are continuing their curriculum as well as having fun just being children. Play is an important part of a child's development. Every lesson that is taught is presented in an enjoyable and interesting manner so that our students will have a solid foundation for learning.

Important Dates:
April 22nd - Noguchi museum will visit us for Earth Day
April 25th - 29th Spring Break school is closed

NOTICE TO ALL MEMBERS

Please be reminded if the complimentary classes we offer to our members do not have at least 5 people attending the classes, the classes will then have to be canceled.
