From the Community House School

Our Winter Show was sensational. The children were adorable as they sang numerous holiday songs and really got everyone into the spirit of the season. The students and staff of the Community House School wish everyone a happy and healthy New Year.

The New Year brings many new learning activities for our students this month. The children will be doing scientific experiments using water and discovering the various ways water can change. We will also talk about winter and the ways we keep warm during this season.
