## From the Community House School

The families of the Community House all enjoyed our special celebration for the Week of the Young Child as they participated in the various activities.

Now that spring is in full bloom our students are now involved in warm weather activities. This month we will grow butterflies from larvae and we will watch the metamorphosis in each class. We are enjoying the outdoors and plan to have a picnic during the month. We are busy making our Mother's Day gifts.

Two classes are even holding a Mother's Day Tea celebration.

Our full day class will celebrate International Day with a luncheon on May 23rd, which features ethnic foods, stories, talks, and visitors.

Our school is fortunate to have many different cultures represented.
