The students and staff at the CITG Community House School wish everyone a joyous holiday. The children will be learning about spring as they will be involved in hands on activities and seasonal projects.

We will be celebrating the Week of the Young Child with various activities for all the children and their families at school. As one of our science units the children will study life cycles by observing caterpillars as they change into beautiful butterflies.

The classes will then release the butterflies in the school garden during the month of May.
