### From the Community House School

The CITG Community House School is off to a great start. I would like to wish a warm welcome back to all our parents, students, and staff as we begin the 2019 school year. The students are beginning to settle in and it has been a calm and happy transition to the school year.

The Community House School has a few spots available for children ages 2 1/2-3 years old in the half day classes and a few spots in the full day class for children 4 years old. We also offer a moms & tots program for children eighteen months old. Contact the school to schedule a tour and have your child experience this exceptional early childhood program.
